Mrs. Rossiter.

## Review and Outlook

Three outstanding events marked the life of our church during 1910.

The first was the change of pastors. Early in the year the Rev. Stealy B. Rossiter, D.D., who had been our minister for over six years, expressed to the Board of Foreign Mission in New York his desire to withdraw. The Board assented and appointed as his successor the Rev. William B. Cooke of Steelton, Pa. who with his sister arrived in Manila on September seventh. On October second, before the Communion service, the pastorate was formally transferred. On October thirtieth Dr. Rossiter preached his eloquent farewell sermon in the presence of a throng of friends. On November third Dr. and Mrs. Rossiter said good bye to their hundreds of friends at a brilliant reception held in the new manse, and the next day sailed for home. Little did we know that Mrs. Rossiter so soon after her hour of triumph was to receive her crown. All were shocked to learn of her sudden death at Benares, India, on December 26th, and the sympathy of all goes forth to the one who had often comforted us in these his lonely months.

The second event of the year was the completion of our manse. Ground was bought back of the church

on the new Calle Arquiza and, after delay in starting, the house was quickly finished in time for Dr. and Mrs. Rossiter to occupy it a few days. This was a great satisfaction to them as they had largely collected the money needed. It is a big, plain house, about 50 feet square; the first story of concrete; the second, with all the living rooms, of dark native woods, oiled; the roof of unpainted iron; the furnishing not yet completed; with quarters for the servants, the janitor of the church, and stable, in a separate building. The whole makes an admirably convenient and comfortable home. When a loan for the building fund is paid, the grounds parked, and the furnishing finished, it will be a most satisfactory property.

The third event was the incorporation of the church. Articles of incorporation were filed on November first, by-laws adopted and trustees elected by the church at the annual meeting January 17th, 1911, and the deeds of the manse property and of the small house and lot next to the church at 110 Nueva are now held by the church. The church building and grounds belong to the Presbyterian Board of Foreign Missions in New York.

Important as were these and other events of 1910 there are large plans under consideration for the improved equipment of our church during the present year. We need and are confident of having a continued and even increased support of every member of the church and of our many friends in the Islands and in America. We again commit our cause to the

direction of the great Head of the Church praying that He will always guide and bless our efforts to minister to His people in this part of His Kingdom.

Reports from the several organizations, as adopted at the annual meeting on January 17th, 1911, follow.

## Report of the Session

We rejoice to report that the year 1910 has been full of splendid blessings. Our members have been faithful and the general interest in the things pertaining to the church has shown an encouraging increase.

The session met regularly and at other times when occasion demanded. The same officers were retained with the exception of Mr. Vernon E. Miller, who succeeded Mr. A. R. Clark as treasurer of the session.

During the entire year and up to Nov. 3d, much interest was manifested in the securing of funds and the building of the manse. The activities in connection therewith were very commendable and served to draw our membership closer together, a result so often produced by a large number of persons uniting is one common object. How much we prize our new pastor's home is evidenced by the sense of pride with which we refer to the manse and by the overwhelming enthusiasm shown at the housewarming reception on Nov. 3d.

During the year our four communion services were held on the first Sundays of the quarters. They were well attended and as each season returned we could not but feel encouraged at the renewed spiritual strength exhibited by our members. The new members who came in during the year were cordially welcomed and we rejoice over the number received. We commend the C. E. Society and the Sunday School for the work accomplished. The session is particularly indebted to the Ladies' Aid and wishes to express in unmistakable terms our very sincere and grateful appreciation of their work for the benefit of the church, in its socials and receptions, as well as the weekly care of the building and its decoration, and also in the obtaining of furnishings for the new manse.

To the choir we desire to record a tribute of thanksgiving for we do greatly enjoy the good music and realize the personal sacrifice so frequently necessary in order that this may be properly accomplished. We thank one and all who have been singing and playing for the church and hope that the labor of the past may make future service one sweet melody of song and praise, gladdening the heart, pleasing the ear and singing souls into the Kingdom.

During the year the pastorate was held by the Rev. S. B. Rossiter, D.D. and the Rev. William B. Cooke. The sadness of parting from Doctor and Mrs. Rossiter was compensated by the joy in the coming of Mr. and Miss Cooke, whom we have learned to love and count

ourselves truly favored in being blessed with such earnest and devoted ministers. When we look back over the months and Sabbaths of the past year we see it very full of incidents of considerable moment, full of spiritual blessings, and thanks be to God, success has attended our every effort put forth for the benefit of this church and the spread of the Gospel.

We express our appreciation of the services of other ministers who have aided us and so acceptably filled our pulpit on various occasions.

By way of summarizing the work of the Sabbath School for the past year, I wish to state that the average attendance per month for the year was over 300 American children or a total attendance of over 3,700.

The general exodus from Manila during March, April and May affected to a large extent the attendance among the scholars as well as the teachers and officers.

Lawn parties were given to the children on Saturday afternoons and on May Day, Fourth of July and Christmas to which all the American children in Manila were invited and at which the officers and teachers of the school vied with each other to give the little ones a good time. It has been the policy of the school from the beginning to treat the American children in the Islands as the ones that were away from home and out of their element and to do all it could to make the child life out here a clean, God-like, happy one.

The holiday festivities commenced this year by a donation from each child of his or her favorite toy to the children of the native Deaf, Dumb and Blind School; early on Christmas morning Mr. William Ahern sent the largest automobile in his garage to the church where it was filled with children loaded down with flowers and driven to the different hospitals where the sick were greeted with a "Merry Christmas" and given a bouquet of pretty flowers. From 8:30 until 9:15, Sergeant Navarro of the Constabulary Band played the "Christmas Chimes" from the choir loft of the church after which a special Christmas program was given by the Sunday School. The festivities were concluded on Wednesday afternoon, the 28th, in the way of a romp on the lawn with its attendant athletic stunts, refreshments, etc.; cinematograph pictures of the Life of Christ and last

but not least a Christmas Tree with a real live Santa Claus who distributed many gifts, candy, etc.

## Report of the Ladies' Aid Society

At the first meeting of the Ladies' Aid Society in January 1910, Mrs. Rossiter made the suggestion that there be added to the regular business meeting a short literary program which should consist of a character sketch and discussion of current events. The object of this was to stimulate the interest of the ladies in the meetings; also to attract new members and visitors. This has been done during the year with the desired result and it has been the pleasure of those who were interested in the experiment to note the steady increase in attendance and interest. There were, at the close of the year 51 members of whom 16 joined the society in 1910. This is an increase of eleven (11) over the previous year. The labor of the last year has produced substantial results but the ladies hope for even greater returns in the year just begun.

Judging from the number of new members who joined the society at the first meeting of 1911 this will

be a year of greater growth than last and the ladies of the Aid Society hope that the work accomplished for the church and the community will be in accordance with the bright prospect before them.

Throughout the year the society has supported a young Filipina at the Ellinwood school.

By a vote of the society the selection of furniture for the new manse was left to the judgment of Mrs. Rossiter who consented to undertake the task. As the result of her labors there are some beautiful pieces of furniture in the manse, as well as the essentials of housekeeping but the house is large and still lacks many pieces to make it thoroughly well furnished. The society purposes to add to the furnishings from time to time as funds are available or as necessity demands.

The October meeting marked the close of Mrs. Rossiter's term as president. Her resignation was accepted with regret and a rising vote of thanks given her in appreciation of faithful and prayerful services to this organisation.

During the year the treasurer Mrs. Knight and the secretary Mrs. Mahon, resigned and Mrs. Clark and Mrs. Griffin were elected to those offices.

There have been ten regular meetings during the year. Regular dues paid by the members have been sufficient to cover the expenses of the society.

The last meeting of the year was the first held in

the new manse. The election of officers took place at this time with the following result.

Mrs. Baxter	President.
Miss Cooke	Vice-President.
Mrs. Virgil	Treasurer.
Mrs. Griffin	Secretary.

The organization has given one reception this year. This was the farewell to Dr. and Mrs. Rossiter. It was a very large and succesful affair and as it took place in the new manse on November third was considered a house warming as well. At this time the Ladies' Aid Society presented Mrs. Rossiter with a beautiful embroidered Canton linen table cloth as a parting gift of remembrance.

The wives of the trustees and elders assisted by the Ladies' of the Aid Society had charge of the welcoming reception to our new pastor Mr. Cooke and his sister Miss Cooke on September fourteenth. The church was prettily decorated for the occasion, and many friends of the church as well as members, took the opportunity to extend to the guests of honor a cordial welcome to their new work and to Manila.

The committees who had charge of these functions deserve great credit for the expert manner in which they were planned and carried out.

A feature of the work for the coming year is the systematic calling on all ladies of the church and congregation by the members of the Ladies' Aid Society, as arranged by the pastor, in the hope of furthering cordial relations among the people.

## Report of Pastor's Aid Society

President, N. C. Comfort.  
Sec. and Treasurer, A. M. Easthagen.  
President Ex-Officio, The Pastor.

The Pastor's Aid begs to submit herewith a brief summary of the work done during the year 1910.

The work of sending out church postcards was the means of bringing to the attention of newcomers the fact that we welcome them to the services at our church.

Because of its expense the publishing of the The Presbyterian Monthly, successor of the Monthly Sermon, was stopped.

Owing to several unusual changes in the church the regular work of the aid was somewhat altered and interrupted but the coming year will find the various members back from their vacations ready to take up the good work.

Respectfully submitted,

A. M. EASTHAGEN,

*Secretary.*

## Report of the Concordia

The Concordia, after a brief but useful career, wound up its affairs and voted its balance, P24.48, to the social purposes of the church.

## Report of Christian Endeavor

During the year 1910 a service using the regular topic for the day was held each Sunday evening before church with but one exception, when there was no meeting on account of rain.

The society began the year under the leadership of C. E. Mapes as president, but on account of taking up Y. M. C. A. work he was compelled to resign from the office, and Mr. Ellsworth E. Zook was elected to fill the unexpired term.

The matter of the Christian Endeavor Headquarters Building, which will be the home of the United Society of Christian Endeavor, to be erected in Boston, Mass., was brought before the society, and it was voted to make a contribution toward the Building Fund. For this purpose a concert was arranged, and ₱20 will be sent from our society.

The society held one social during the hot season, when a short musical program was given, after which games, etc., were enjoyed on the roof garden. There was a much larger attendance at this social than had been expected, with so many people away from Manila.

The attendance at our meetings has varied from week to week, but the meetings have usually been full of interest, and the time fully occupied.

C. E. MAPES.
